What is Our Goal?

Our goal is to raise enough funds to replace our Hematology Analyzer. This instrument identifies the complete blood cell count (CBC) at high speed with accuracy. It measures hemoglobin, platelets, the width, volume, ratio, and absolute value of cells. Without this instrument, your blood specimen would have to be sent off and greatly delay your tests results and diagnoses.

Sorry, no refunds will be available

Scheduling Conflict?

Donations and sponsorships to Gove County Medical Center are tax deductible. GCMC will acknowledge your gift and send a receipt. Checks are payable to Gove County Medical Center. Please note Golf Tournament 2022 in the memo space.
